Once the assassin takes to be divided according to the laws for such cases but as Mr.

of the 5 additional informents against one affects extortion. The actor charge run merchant. This letter was maded in New York or

the afternoon of Joly 22, the day that l'av-handian was shot. It was written n red ink in Armenian and was signed with the symbol of the terrorists three bands with daggers uplifted, potsed above a red heart.

The letter is as follows: "Gulalu Guilenkian and Company

Brunswick Building, New York. Death Warrant! "The executives of the Constantinople

Armenian revolutionary terrorists organzation condemn to leath Haroutlan-Guibenkian, the three brothers who entirely have deaf cars to all appeals for having given its decision to Harantian and Gulabi Gulbenkian in America, gives them twenty-four hours time to decide between their duty and death.

"Constantinaple Armenian Revolutiomry Terror sts Organization." The letter is dated "Constantinople, June 27, 1997,"

Following the letter is a postser pt, also

n red ink, which reads: "Although neither prison nor hanging an prevent us from fulfilling our duty to the end, it is necessary that you should know. If you betray this letter or cause barm to one halr on our heads you may onsider your whole family wiped out." Before the receipt of the letter Haron tian Gulbenkian, who is the accusing witness against the priest, received a blackmailing letter demanding \$25,000 but did not comply with the demand.

The sense of the indictment is that the priest either sent the quoted letter or caused it to be sent-

A THREAT TO KILL.

It is further alleged that in Septem ber, 1905, Father Martongessian threat ened to kill or cause to be killed, Bed res Hazanjian, a merchant of 29 Unio Square, unless the latter gave up \$15. 000 to the Armenian revolutionists.

It is yet further charged that Father Martoogessian represented or caused to be represented to Miran G. Karagensan an Armenian, that he would meet death unless he gave \$100,000 to the form of a letter on August 29, 1905. "The list is not fluilly closed yet

There may be several others and you

The late afternoon developed an im portant witness, Magderich Lustrian, blacksmith, who was examined by Assistant District Attorney Manley.

STARTLING TESTIMONY.

According to information furnished by the district attorneys's office the meetings of the Hunchakist society at which Martoogessian presided. He alleged to have stated that he knew five different cases wherein men were sent from this country to Europe at the instigation of a man chosen to murder certain persons. On two occaways to shift the responsibility. Some time ago he was told that as for Canadians.

would have to kill Nikolat Milack because at that time it was believed that Milack was a Turkish spy. According to Mr. Manley, the blacksmith made further startling admissions and for nished corroborative evidence of importance against the prisoner.
